Discover Glenwood Manor, with its wide tree lined streets & sidewalks and served by acclaimed Thomas Jefferson grade school, Joliet Park District & so close to everything you need - it's a storybook neighborhood! Consider what this home has to offer: 2100 square foot custom built, on a wide & deep mature yard space, with a concrete driveway, fenced yard w/patio & front courtyard overlooking the expanse to the street. Inside, you'll appreciate the stylish finishes to include newer hardwood floors throughout the entire above grade home, excepting bathrooms & laundry/mud room, which is hard surface tile. The kitchen is completely updated to include stainless steel appliances (double oven too), quartz countertops, countless custom built cabinets, table space, a vaulted ceiling extending into the family room, which offers a gas start/gas log fireplace & is accented by a beamed ceiling, which really punctuates the openness of the main level of the home. A formal dining room with built-in cabinetry, a living room, half bath, laundry/mud room & multi-purpose room (let your imagination guide you) complete the main level of the home. A wrought iron spindled staircase will lead you to the upper level of the home. The primary suite measures 17' x 12' & features many built-ins, a tiled walk-in shower with 3/8" shower glass surround, a beautiful
