MLS# 12416560

\$472,700

2 Bedrooms | 2 Bathrooms | 1,585 Sqft

One of the few redesigned homes in the area. Open concept first floor kitchen and living room has a unique TV/fireplace. Originally a three bedroom home and could easily be turned back into a three bedroom, currently a One large bedroom and second bedroom/office , with built-ins, on the first floor. Beautifully remodeled first floor bath approx 2yrs ago. Eat-in kitchen has all appliance and lots of hickory cabinets and a "hidden" pantry, all stainless steel appliances. Big doors, which let in loads of natural light, leads to a large balcony to enjoy the evenings or meals. Hardwood floors & crown molding throughout most of the first floor. Venture to the full basement with two more bedrooms, full bathroom, laundry room w/laundry shoot, and family room w/partial wet bar and beautiful Mahogany doors to exit the walk out basement. Out to the brand new 27x24 2.5 car garage with 14ft ceiling with loft, electric, water, opener and beautiful patio door. New siding and roof and gutters and some windows 4 years ago. Lots to see in person, make appt today.
