\$325,000

2 Bedrooms | 2 Bathrooms | 1,400 Sqft

One step inside this all brick ranch style mid-century built home on a half acre + yard space and you'll be hooked! 2 bedrooms on the main level with a full bath, expansive living room w/see through fireplace shared with the dining room and an updated kitchen, which is fully applianced. The full basement has another full bath (tiled walk-in shower, stool & vanity) plus finished rec. area and loads of storage/work space. A charming 3 season enclosed porch connects the home and the 1st of 2 - 2 car garages! The back yard is generously sized and fenced with access to a detached 2 car garage. It's hard to find this size property in W. Joliet that offers privacy, space and city sewer & water. The home has been well maintained & close to all the conveniences of shopping, schools, park district, downtown Joliet & I-55/I-80 access. Great 1st home, or size down home. Ideal for car enthusiasts, carpentry projects etc...
