**4 Bedrooms | 2 Bathrooms | 3,530 Sqft**

Welcome home to space, space, and more space! With 3,530 sq. ft. plus a full basement, this home is ready for a new family that needs room to live, work, relax, and entertain. Located in the highly sought-after Minooka school district, this property checks all the boxes. The main level offers a practical and inviting layout with a living room, dining room, spacious kitchen, den, and convenient laundry room, plus a main floor powder room for guests. Upstairs you'll find a huge 20 x 17 loft-perfect for a family room, game area, or home office-along with four generously sized bedrooms and two full bathrooms. Every bedroom features a walk-in closet, so storage will never be an issue. Need even more space? The full basement includes a 5th bedroom and plenty of additional room for future finishing, hobbies, or storage. Situated on a large 0.37 acre lot, there's plenty of outdoor space to enjoy, and the 3-car attached garage provides room for vehicles, toys, and tools. If your current home is feeling a little cramped, this one might be exactly the upgrade you've been waiting for. Plenty of room for everyone-come take a look!
