4 Bedrooms | 2 Bathrooms | 2,672 Sqft

Situated on a quiet cul-de-sac and surrounded by mature trees, this spacious 4-bedroom, 2.5-bath traditional two-story home offers just shy of 2,700 square feet of living space on a generous 1/3 acre lot. With a classic, functional floor plan, generously sized rooms, and plenty of potential for personalization, this home provides a wonderful opportunity to bring your decorating and updating ideas to life. The main level welcomes you with a spacious foyer and beautiful hardwood flooring that flows through the large living room and dining room and continues into the kitchen. The kitchen offers abundant cabinetry, granite countertops, and plenty of room for a breakfast table. Just beyond is the inviting family room featuring a brick fireplace and built-in shelving, creating a comfortable gathering space. A convenient main-floor laundry room provides access to a separate fenced dog run, while a powder room completes the first floor. Upstairs you'll find four bedrooms, including three generously sized secondary bedrooms that share a hall bath featuring both a separate shower and bathtub. The spacious owner's suite includes a walk-in closet and private bath. Additional highlights include newer Andersen windows, a 2-car attached garage, concrete driveway, and unfinished basement with partial crawl space, offering excellent storage and future possibilities.
