You will be completely impressed with this virtually brand-new home! This 3 bedroom, 2.1 bath home is move-in ready. All new flooring, cabinets, toilets, paint, appliances, light fixtures, faucets, furnace, central air, and much more new in 2022. The entryway has a small foyer with a great coat closet. The living room with a wood-burning fireplace and lovely windows is a wonderful place to relax at the end of the day. The eat-in kitchen is great for those who love to cook. The new quartzite counters and new kitchen layout provide plenty of countertop space for prep work. Check out the new kitchen sink! The eating area overlooks the expansive backyard and future patio through the sliding glass doors that lead to the backyard. There is also a first-floor laundry room and a half bath on the main level. There is wood laminate flooring on the main level. The entrance to the three-car garage is conveniently located near the laundry room/mudroom. There is also a service door to the backyard from the garage. The 2nd level has all new carpeting. The hall bath has a refinished tub surround, new vanity, lights, and flooring. The primary bedroom has two closets for those who love their clothing, new vanity, resurfaced tub surround, new lighting, and flooring in the primary bath as well. Both bathrooms have luxury vinyl flooring - water resistant! The basement
