MLS# 11670184

\$899,900

What a great investment for you! This building in the heart of downtown Woodstock is right across from the Woodstock Square and the famous Woodstock Opera House! There are 11 income producing units here! Most have long leases and all are great tenants. More info provided for serious buyers. Boiler was recently replaced and building is very well maintained! This is a fabulous armchair opportunity! Sold as is, although we know of nothing wrong.
