**3 Bedrooms | 2 Bathrooms | 1,500 Sqft**

Charming farmhouse on a double fenced lot. This home has plenty of original woodwork, including a beautiful stairway! While your evenings away on the front porch! You'll walk in to a spacious foyer and be able to admire your beautiful stairway! The living room and dining room are perfect sized. The giant kitchen has been updated and has yards of counter space and lots of cabinets! There's a large pantry, too! The first floor laundry is spacious and so handy! Go upstairs to 3 bedrooms and the 2nd full bath! The basement is great for storage and is very clean. Go enjoy your huge back yard, where you can splash around in the pool all summer long! The kids/dogs/?? will love having all that space to play! There's a detached 2 car garage, too! This home is sitting on a quiet street. You will LOVE it here!
