Here it is! An awesome home on the north side of Crystal Lake. If you're looking for Prairie Ridge High School, this is the one! The original owner still owns this great home, and now it's time to move on! You will love walking into your lovely living room that is so bright and airy with lots of windows and a vaulted ceiling. This leads into the kitchen and eating area where there are plenty of cabinets and an island. The dining room is great for family dinners! You'll all be able to spend time together just a few steps down in the spacious family room. Enjoy the fireplace that will keep you warm in the chilly months! There's a nice bedroom with a walk in closet, a full bath and the laundry room on this level. Go upstairs to the 2nd level where there's a big master with a vaulted ceiling, private bath and walk in closet. It even has a balcony where you can enjoy your morning coffee or evenings! Two more bedrooms are here, too, as well as a full bath! Wander from your kitchen out the sliders to the spacious deck and giant yard! You'll love having all this space to play! Large garage, too! New siding, roof, gutters and downspouts in 2022! \$7500 flooring allowance. So close to Prairie Ridge HS, Sterne's Woods and Fen, Veteran Acres and even downtown Crystal Lake and Metra! Come and get this house now, it has it all!
